

# TAE50216

## Diploma of Training Design and Development *Job Trainer (Fee-Free Qualification)*

(Training under Job Trainer is fee-free and fully funded by the NSW and Commonwealth Governments)

**Course Description** This qualification reflects the roles of training developers and instructional designers who are responsible for analysing training needs and designing training solutions and products to meet workplace capability requirements, and evaluating the effectiveness of training programs. They may have a role in providing guidance and advice to trainers and assessors, promoting innovative practices, e.g. e-learning, and in researching and incorporating best practice in training and assessment into training programs and products.

### FEE-FREE—SKILLING FOR RECOVERY—JOBTRAINER

Fee-free training qualifications will support those most affected by current economic conditions to gain skills in priority and growth industry areas, so they can take advantage of future job opportunities as the economy recovers from the effects of COVID-19.

The Fee-Free training for a TAE qualification will apply to anyone who lives or works in NSW and who meet the Smart and Skilled eligibility criteria (see next page). Note: Aboriginal students and students with a disability, fee-free scholarship students and refugees and asylum seekers are eligible to

access fee-free training for qualifications under Smart and Skilled.

For further information you can go to <https://ittacademy.net.au/online-courses/tae50216-diploma-of-training-design-and-development/>

### Entry Requirements

It is desirable that candidates are employed in a role where they have maintained currency within the VET (Vocational Education and Training) sector and have either TAE40110 or TAE40116 Certificate IV in Training and Assessment.

### Recommended Duration and Volume of Learning

The volume of learning for the Diploma of Training Design and Development as a Learning and Assessment pathway is typically 1 to 2 years (1200 – 2400 hours).
